++ Valid for broadcast between 0600 and 1800

Headline:
Mainly dry and bright, but rain in the southeast.

Today:
Cloudy with outbreaks of rain over the Lothians and Borders, heavy at times with coastal gales, the rain perhaps spreading to northeastern coasts later. Mostly dry and bright elsewhere with some sunny intervals and a scattering of showers.

Tonight:
Rain in the east, mainly the southeast, during this evening. Dry with clear spells elsewhere, these drier, clearer conditions developing in the east overnight. Windy around North Sea coasts.

Wednesday:
Dry and bright for much of the day with some sunny spells after a chilly start with a few mist and fog patches. Rain pushing in from the southwest later.

Outlook for Thursday to Saturday:
The west cloudy with outbreaks of rain, occasionally heavy at first, but turning light and patchy by Saturday. Some drier and brighter spells in the east. Breezy and very mild.
